

Summer Activities Incoming Kindergartners

Read a bedtime story with a grown-up and re-tell it in your own words. Discuss a funny way to change the ending.	Write your first name correctly (not all capital letters!) 10 times in wet sand or dirt.	Sort a big pile of toys and explain to a grown-up how you grouped them.	Go on a nature hike or bike ride with a grown-up in search of animal homes. Discuss what you observe.	Watch a construction site for several days and discuss the progress. Can you name any machines?
Make the Sign of the Cross while leading the family in prayer for a full week.	Count aloud to 20 to a grown-up saying each number correctly. Then count 20 objects correctly.	Practice the vowels in your first name on Starfall.com	Sort all the shoes in your house and determine how many. Discuss with a grown-up <i>more, less, and equal to</i>	Taste a new food that you may have thought was too yucky to try
Find 10 "animals" in the clouds while lying on your back with a grown-up.	Practice successfully knotting then tucking in your shoe laces 10 times...bow tying is great too!	Successfully dress in your uniform without any help 10 times.	Name at least 10 animal babies. Ask a grown-up to help you find out the baby name for your favorite animal.	Sort and graph a pack of M&Ms or fruit snacks discussing <i>more, less, and equal to</i> with a grown-up.
Sort the dirty laundry by colors with a grown-up. Then help put them away correctly.	Go on a scavenger hunt finding objects for all the letters in the alphabet	Find a statue or image of St. Mary while at church.	Sing the ABC song while touching the named letter 10 times.	Draw your favorite <i>anything</i> three times improving it each time!
Practice the consonants in your first name on Starfall.com	Cut a bowlful of confetti then enjoy throwing it...and cleaning it up!	Take the stairs in three different places and discuss <i>more, less, or equal to</i> with a grown-up.	Practice writing name, numerals, and ABCs on a soaped up shower wall.	Identify and name numerals 0-20 on a restaurant menu.

**Students completing 5 activities in a row in any direction will receive a teacher prize.
Students completing cover-all will receive an Out-of-Uniform certificate.**
